**HOMESTAY**

**ACCOMMODATION**

# Your Home Away from Home

A homestay provides an opportunity to stay with a local family. Our homestays are carefully selected to ensure the most pleasant experience. They are warm and loving people, who care about giving our students a 'home away from home'.

We aim to place students as close to the school as possible.

Finchley is the ideal location for visiting students who prefer easy access to London without the hustle and bustle on their doorstep. It is a safe, clean and vibrant area of North London, which provides an excellent opportunity for our students to live and learn in a family oriented neighbourhood.

Central London is only 20-30 minutes away.

Opportunity to meet people from all over the world and make lifelong friendships.

We can also accommodate small and large groups of students.

The homestay choice is the most popular one. Our homestays will make you feel like a member of their family. They will be English speaking and will help you find your way around the new neighbourhood.

Lexis students can choose between bed & breakfast or half-board in single or shared rooms. We have families who can accommodate up to three students at any one time.

At busy times, we may use an accommodation agency and fees may vary.
